2020B Consumer Expenditures

Note: For purposes of brevity, this document includes only the "X" series, which are average household expenditures. The "T" series (e.g. T00AP201) is the total expenditure (Household times the average household expenditure). All Consumer Expenditure variables are available on either an average household expenditure or total geographic area expenditure basis.

2025B Consumer Expenditures

Note: For purposes of brevity, this document includes only the "X" series, which are average household expenditures. The "T" series (e.g. T00AP201) is the total expenditure (Household times the average household expenditure). All Consumer Expenditure variables are available on either an average household expenditure or total geographic area expenditure basis.
